

**Welcome** to the Inaugural EASC course **Train the Trainer** course (ttEASC). This course is designed to allow registrants and future faculty the opportunity to appreciate how the award winning EASC courses creates its impact.

EASC was first held in Donegal, Ireland in 2012. EASC courses have expanded around the World, and have been run in 12 countries, attended by over 1500 surgeons and residents. EASC is regarded by most attendees as one of the best courses they ever attended.

#### **Course Objectives**

- **Understanding the goals of EASC**
- **How to deliver a message**
- **Creating audience involvement**
- **Overcoming personal prejudices**
- **Practical lecture session on Appendicitis**
- **How to run a Case Scenario**

#### **Who should attend ?**

**Consultants and Fellows who want to share their knowledge of abdominal emergency surgery and enhance their delivery of the course using the EASC curriculum**

**Attending this course will potentially allow you to teach on subsequent EASC course as faculty. It will create an everlasting impression on how to deliver a crisp, exciting and predominantly interactive educational course and learn at the same time. Knowledge is priceless. You need to register. The course will advise on how to establish an EASC course.**
